

Ask the Candidates How They Will Protect Access to Home Care

Granite Staters have a unique opportunity to talk with presidential candidates. Here is a question important to home care providers and the patients we serve:

“Visiting Nurses and Home Care Agencies help seniors on Medicare recover from illness or injuries, and help them stay out of hospitals. But Medicare payment cuts, burdensome regulations, and workforce recruitment challenges are making it harder for home care nurses to serve seniors. *What will you do as President to assure America’s seniors get the Medicare services they need?”*”
