2020 Ira Byock and Yvonne Corbeil Award
*for Innovation and Collaboration in Delivering the Best Care Possible*

**Nomination Deadline is Friday, May 1, 2020**

New Hampshire Hospice and Palliative Care Organization (NHHPCO) established this award in 2013 to honor the wonderful work of Ira Byock, MD and Yvonne Corbeil during their years in New Hampshire. Ira and Yvonne named Dr. Patrick Clary the first recipient of this award, for his contributions to improving end-of-life care in our state by bringing together a network of clinicians and enabling communication, quality improvement, and education about palliative care. Dr. Clary was influential in bringing Ira and Yvonne to New Hampshire, making him a fitting first recipient.

The Home Care, Hospice & Palliative Care Alliance of NH is continuing the commitment and spirit of this award. Please consider nominating an individual, team or organization in New Hampshire who has demonstrated innovation and collaboration to:

- Improve quality
- Expand access, and/or
- Increase efficiency

in delivering the best end-of-life care possible to New Hampshire residents.

The 2020 award will be presented at *The Alliance* Annual Meeting on Friday, June 5th. In addition, the recipient’s work will be recognized on our website and if possible, at the annual Fall Hospice and Palliative Care conference.

The recipient will be chosen from a list of finalists selected by the award committee including the most recent award recipient.
