

## Home Care & Hospice LNA of the Year Award

*for those who have committed themselves to a career in caregiving in the home care and hospice setting*

**Nomination Deadline is Saturday, June 6, 2020**

The Home Care, Hospice & Palliative Care Alliance of New Hampshire will honor an LNA of the Year at the 2020 Annual Meeting at Mill Falls at the Lake in Meredith, NH next fall. Nominations for LNA of the Year are **due by Saturday, June 6, 2020**. The winner will be notified by July 31, 2020 and will be invited to attend the Annual Meeting, free of charge, to receive their award.

Members know that Nursing Assistants are hard-working, caring individuals who serve clients and their families every day and regard this service as more than just a job. They are here to make a difference. This award gives providers the opportunity to reward those individuals who have committed themselves to a career in caregiving.

**Select and nominate a Nursing Assistant** from your staff, and use the form to place your nomination. The nominee must be a licensed nursing assistant (LNA), employed by a member agency, with a current active license. Selection is based on the narrative submitted by the agency, and consideration is also given to supporting documents like testimony from families, clients and co-workers. Some suggestions to consider when selecting your nominee are: most outstanding performance on a continuous basis, most reliable – someone who can always be counted on to be there and give 100%; seniority/loyalty; an employee held in high regard by peers as well as management; an employee who has done something extraordinary for a client; an employee who exemplifies high standards held by your agency; or any other criteria you choose. This is **your** chance to recognize and reward what **you** most value in your Nursing Assistants.

Please include the following information in your nominations:

1. Name of nominee (individual or organization)
2. Organizational affiliation of nominee, if relevant (e.g., employer)
3. Name and title of person making the nomination and contact information
4. How many years this person has been employed as a LNA
5. Narrative description of nominee's contribution: Provide a brief description of the employee's strengths and how this worker has "made a difference." **This information will be used as the basis for selection of the Alliance's Nursing Assistant of the Year.** Please paint a full picture of this employee, with detailed descriptions about how this person benefits patients, families, the team and/or the agency. You might include details such as their standards for delivery of quality of care, dignity, and quality of life to patients, volunteerism or any other outstanding attributes. You may also attach testimonials, recommendations, and photos as needed.

Please complete the attached form, and submit it **by June 6, 2020** to **info@homecarenh.org**.

If you have any questions do not hesitate to contact us at 603-225-5597 or email [info@homecarenh.org](mailto:info@homecarenh.org).
