Granite State Home Health & Hospice Association

2020 Maryellen LaRoche Public Policy Award

for significant contribution to hospice & home health care in New Hampshire through leadership in the public policy arena

Granite State Home Health & Hospice Association (GSHHA) created this award in honor of Maryellen LaRoche, director of Carroll County Health & Home Care Services in Chocorua until her death in early 2009. Maryellen was politically active at all levels of government, and frequently represented home health providers at the NH State House.
