

OASIS-D1

Two FULL days of OASIS-D1 Data Collection Rules & Guidance, with an optional Certificate for OASIS Specialist-Clinical Exam Administration.

BLUEPRINT FOR OASIS ACCURACY: OASIS-D1 DATA SETS

OASIS data collection continues to evolve! Based on the most current CMS guidance available, this workshop provides a comprehensive look at the OASIS items including the OASIS-D1 revisions and OASIS related PDGM information effective January 1, 2020. This effective, up-to-the-minute education is targeted for field data collectors, their supervisors, OASIS educators and reviewers, quality improvement staff, and those preparing for the COS-C Exam.

Experience the comprehensive and nationally acclaimed two-day Blueprint for OASIS Accuracy workshop and learn to confidently teach, audit and collect OASIS-D1 items accurately. Through guided, relatable, expert instruction, and participation in problem-solving discussions and more than 50 application scenarios, achieve mastery of the OASIS items, conventions, and the latest data collection rules.

The workshop educational objectives include:

- Selecting OASIS responses that accurately represent clinical assessment findings
- Providing accurate data for quality measurement and payment
- Documenting OASIS data collection compliant with CMS resources and instructions

Rather than provide opinions, assumptions, or unfounded interpretations, the “Blueprint” presenters will model reliance on CMS guidance documents and provide and demonstrate strategies for how to find defensible answers to your OASIS questions.

Continuing Education Credits:

The 2-day workshop has been designed to meet the continuing education requirements for the Board of Nursing. Each workshop attendee will receive a certificate for 13 continuing education hours.

WORKSHOP FACILITATORS

MEGAN BERNIER
MSPT, COS-C

Megan is a physical therapist with a Masters in Physical Therapy. She has worked in the home health industry since 2010 as a field clinician, as well as in supervisory and administrative positions supporting home health quality improvement, regulatory compliance, clinical documentation, and operations. She has a passion and appreciation for the critical need for OASIS accuracy and is a knowledgeable and energetic OASIS educator. Megan holds the Certificate for OASIS Specialist-Clinical (COS-C) designation and is a Clinical Consultant with OASIS Answers, Inc.

WENDY ANEMAET
PT DPT PHD GCS CWS COS-C

Wendy is a physical therapist since 1989 with experience in home health, acute care, rehab, outpatient, and skilled nursing. She is an Associate Professor at the School of Physical Therapy at Regis University in Denver, Colorado. Wendy is a Geriatric Clinical Specialist and Certified Wound Specialist, has a Geriatric Training Certificate and serves on the editorial board of *Topics in Geriatric Rehabilitation*. She has co-authored books on home health rehabilitation and has published hundreds of articles on home health therapy in peer-reviewed and trade publications. She provides training nationally on geriatric strengthening, wound assessment and management, falls prevention, and competency testing for home health physical therapists on the drug regimen review and pharmacology. Wendy holds the Certificate for OASIS Specialist-Clinical (COS-C) designation and is a Senior Associate Consultant with OASIS Answers, Inc.

CERTIFICATE FOR OASIS SPECIALIST – CLINICAL EXAM

Secure a spot by registering at least one week in advance. Onsite exam registration may not be available.

The Certificate for OASIS Specialist-Clinical (COS-C) Exam is a voluntary certificate examination for those interested in demonstrating and establishing their expertise and commitment to OASIS data accuracy. Administered the day following the Blueprint for OASIS Accuracy training, the scope of the COS-C exam is similar to the Blueprint workshop agenda, covering **current** CMS OASIS data collection rules and guidance related to OASIS time points, regulations, patient populations and OASIS item specific scoring.

Candidates who successfully pass the examination are awarded the COS-C designation.

Call OASIS Answers, Inc. at (425) 868.2304 or visit www.oasisanswers.com to learn more or to register for the COS-C examination.

EXAM REGISTRATION FEE:

- > Initial Exam: \$250 (reflects "Blueprint discount")
- > Renewal Exam: \$200 (reflects "Blueprint discount")
- > Register online at oasisanswers.com

INDIVIDUALS MAY REGISTER FOR THE WORKSHOP, THE EXAM, OR BOTH.

Registration and payment for the workshop is through the Home Care, Hospice & Palliative Care Alliance of NH and registration for the COS-C examination is through OASIS Answers at oasisanswers.com
